

## *A Homemaker's Prayer*

Dear Heavenly Father and Giver of all Good Gifts,

Thank you for this life you've given me. Please help me live it well. I want every part of my life to honor you, even the tasks I find tedious and insignificant.

Give me strength and energy to care for my home and for my people.

Help me balance serving my family with enjoying my family.

Grant me wisdom to know when to work and when to rest.

Protect me from overwhelm, anxiety, and exhaustion.

My heart is set on you. As I serve my family, I serve you. As I manage my home, I worship you.

Thank you for the many blessings you've given me. In your strength, I will take care of them.

*Amen*
